# From our farm to your kitchen

To provide affordable food  
to thousands who need it

Mishkat Agro: Supplying the Middle East and India for the last  
decade

# About Mishkat

At Mishkat Agro Dubai, we pride ourselves on delivering the very best in culinary excellence. With a diverse selection of products spanning various food categories, we are dedicated to providing our customers with the highest quality products and flavors. We take great pride in our commitment to quality, which is why we manufacture and source only the freshest and finest ingredients from our trusted suppliers.

We believe that food is more than just sustenance - it is a source of comfort, pleasure, and connection. That's why we put so much care and attention into every product we make, as they are carefully crafted and tested to ensure that it exceeds your standards of taste, texture, quality, and nutrition.

At Mishkat, we are proud of our heritage, our values, and our products. We believe that food has the power to bring people together, and we are honored to be a part of your family's traditions and memories.

# The Healthier Option

The journey of Mishkat

At Mishkat, we are passionate about crafting delicious and high-quality food products that bring joy to your dining table. Our journey began over a decade ago, and we have since grown from a small business to a leading food manufacturer, equipped with state-of-the-art production facilities and a team of talented and experienced chefs, food scientists, and product development specialists. We are committed to using only the highest quality ingredients, sourced from trusted suppliers who share our values of sustainability, ethics, and excellence.

# How we've expanded our lands over the years

Introducing our state-of-the-art agriculture factory and mill located in the heart of India! Our facility is dedicated to producing high-quality, sustainably sourced agricultural products that are both delicious and nutritious.

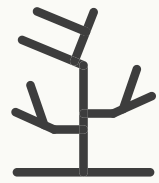

Equipped with the latest technology and operated by a team of experienced professionals, we ensure that our products meet the highest standards of quality and safety. From rice and wheat to pulses and spices, we offer a diverse range of products that are perfect for cooking up a delicious and healthy meal.

At our factory, we are committed to supporting local farmers and communities by sourcing our raw materials locally and ensuring fair pricing for all involved.

# The Solutions We Provide

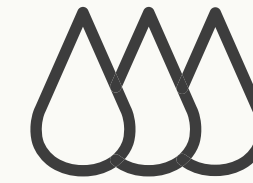

## Quality & Safety

At Mishkat, we believe that exceptional quality is the foundation of a successful business. That's why we are committed to providing our customers with the best products and services in the industry, and we believe that this is what sets us apart from other food suppliers.

## Logistics & Warehousing

We understand the importance of efficient and reliable logistics in the food supply chain. That's why we have invested heavily in our warehouse and logistics capabilities, ensuring that we can deliver our products quickly and efficiently to our customers. We have a diverse range of transportation options, including refrigerated trucks and containers, to ensure that our products are delivered safely and on time, every time.

## Global Reach

Our vast distribution network enables us to offer a diverse range of high-quality food products to meet the needs of our clients, from wholesale to retail. Our commitment to excellence and our ability to supply products quickly and efficiently ensures that our clients always have access to the products they need. Our products are available in various retail outlets all over the country as well as Wholesale and HORECA.

# Flour
